2016 World Wake Surfing Championship Qualifying Criteria

Fineline Industries, the manufacturer of Centurion Boats, in conjunction with the Competitive Wake Surf Association, is pleased to announce the criteria to qualify for an invitation to compete in the 21st World Wake Surfing Championship:

1. For each recognized Division in the 2016 CWSA World Ranking System, at a minimum the top 10 WRS ranked competitors in each such Division as published by the CWSA as of September 9, 2016 will qualify for, and receive an invitation to compete in the 2016 World Wake Surfing Championship.
2. Centurion reserves the absolute right, but is not obligated, to extend invitations to more than the 10 top WRS ranked competitors in a particular division, or divisions, in order of WRS rank of the competitors in that Division or Divisions as published by the CWSA as of September 9, 2016.
3. In the event that an invited competitor declines to attend for any reason, including not registering or responding to such invitation, that invitation will be offered to the next highest WRS ranked competitor in that Division as published by the CWSA as of September 9, 2016, who has not yet been invited to compete.
4. Centurion, as the Promoter of the World Wake Surfing Championship, reserves the absolute right, but is not obligated, to invite "wild card" competitors in any CWSA recognized Division, regardless of participation in any 2016 World Series of Wake Surfing event, and regardless of such competitor's WRS rank, or lack of rank, as published by the CWSA as of September 9, 2016.
